22.10.2020

Dear Parents,

Our wellbeing fortnight has been both purposeful and positive. We would like to thank you all for your time and assistance with the updates. Most of the wellbeing calls have been completed. If you have not received an update from the class teacher, please contact them via seesaw for an alternative appointment.

## **A Day in the Life of..**

The week commencing 9<sup>th</sup> November all parents will receive a video snapshot of their child's class activities and learning experiences. We appreciate that this term, you would normally have attended school to celebrate successes on several occasions by now so we hope this goes some way to making up for these lost opportunities.

## **Celebrating my successes/ My Leaps in Learning**

As well as receiving the above, you will also receive personalised images of some of your child's learning experiences this term.

## **Flu Immunisations**

Flu immunisations have been arranged for all pupils from **reception to year 6** on **4<sup>th</sup> December**.

The Chief Medical Officer in Wales has stressed the importance of ensuring children receive their immunisations during the Covid crisis period to avoid outbreaks of other diseases.

## **Lunch Update**

The hot box option will be rolled out to reception after half term. Please book lunches through the ParentPay system.

## **Talk Money Week – A message from the Maths and Numeracy Team**

The week commencing 9<sup>th</sup> November is 'Talk Money' week and we are hoping to get the children talking about money and engaging in many fun, money-related activities and challenges. We are looking for any parents, grandparents, volunteers or friends who would be happy to participate in this exciting week and share their expertise through a virtual platform. If you are able to help, could you please contact your child's class teacher via Seesaw.

A huge thank you in advance,

The Maths and Numeracy team 😊

## **Children in Need – A message from the Community and Enterprise Squad**

Together, we can change young lives.

Our very own 'Community and Enterprise Squad' have been working hard in their Y4EM headquarters to make exciting plans for 'BBC Children in Need 2020'. They will be kicking starting the week with an assembly to share their plans and highlight the importance of getting involved.

This year, we will be taking part in Children in Need's 'Five to Thrive' campaign the week commencing 9th November. This campaign focuses on the 5 ways to wellbeing, to help children feel happier and healthier this year. We will take part in a range of activities, including workouts with Joe Wicks, trying something new with the help of Blue Peter and talking about the importance of friendship within circle time.

**Friday 13th November will be our 'Ultimate Feel Good' day**, where we would love everyone to wear something spotty or Children in Need themed and, if you can, to donate to 'Children in Need'.

Be ready for a fun-filled week focusing on our wellbeing and the wellbeing of others.

Together, we can make a difference.

Many thanks,

The Community and Enterprise Squad 😊

## **Staggered Start**

We would like to thank the community for adhering to our staggered start arrangements. Please continue to arrive at school at your child's start time and avoid arriving too early for their slot. We appreciate that parking can be a challenge and appreciate your support at this time.

## **End of this half term.**

School ends tomorrow and recommences on Monday 2<sup>nd</sup> November. We hope you enjoy a restful half term break.

We would like to express our sincere thanks to you all for supporting us during this very challenging time.

Thank you all once again for your continued cooperation and support.

Kind Regards,

Mrs L.J. Lewis and the Marshfield Team
