19th March, 2021

Dear Parents,

It has been wonderful to have the whole school back with us. We would like to express our thanks to you all for following the covid procedures we have in place.

In order for drop off and collection to be the safest possible for all members of our school community, we would like to remind parents the importance of:

- maintaining social distance;
- wearing a face covering on school site;
- leaving swiftly from the school site, adhering to the one-way system;
- not congregating on site, at the school gates or outside of the school particularly during entry and exit times.

Please do not come to the school site too early. We need your support in order to minimise congestion outside and on the site.

Light up Wales Event

You may have heard about an event being held next Tuesday, 23rd March to commemorate loved ones that we have lost to the pandemic. '**Light up Wales**' provides us with the opportunity to reflect and remember those who have been taken from us too soon. Events have been organised throughout the country. Communities are encouraged to put yellow hearts on windows, yellow fairy lights in windows, to light candles or to decorate their homes with yellow ribbons and daffodils. There is also a minute's silence at midday and 9pm.

As a school we want to do our part to remember loved ones and will join in the minute's silence at midday. Classes will organise their own personal commemorations to.

Used tables and chairs

We have a supply of used tables and chairs at school. They are suitable for younger children between 5-7 years of age. These are free of charge. We would just ask that you arrange a safe collection. There are approximately 40 brown chairs and 11 rectangular tables. If you are interested please phone or email the school.

Thank you all, once again, for your continued support during this time.

Kind Regards,
Mrs L.J. Lewis and the Marshfield Team
