			L	S	RR		L	S	RR			
Contracting Coronavirus – hygiene, toilets	All staff and pupils	Schools have comprehensive cleaning regime	3	3	9	Hand Sanitiser and equipment wipe stations to be placed by main entrance, and also at the entrance to each classroom. Staff and children should wash their hands on entering the premises. Reliance on hand sanitiser is to be avoided and good handwashing procedures to be encouraged . Separate protocol for handwashing and use of sanitiser is available. Separate protocol for handwashing and use of sanitiser is available.	2	3	6	CD	On-going	
						Children to go one at a time to designated boy/girl toilet. If all cubicles are taken, children must wait outside in corridor. One-way system in place.				TA's/CD		
						HAND SANTISERS ARE PLACED AT THE ENTRANCE OF EACH TOILET AND MUST BE USED BY CHILDREN UPON ENTERING. Strong focus and messaging around hand hygiene after using the toilets.						
Contracting Coronavirus – body fluid spills	All staff and pupils	Schools have comprehensive cleaning regime	4	4	16	Bodily Fluid Spillage kits have been given to each class, and extra kits can be found in the yellow boxes in the medical room. Bodily fluid spills must not be left for cleaners later.	2	4	8	Staff	On-going	
Contracting Coronavirus – hygiene, cleaning	All staff and pupils	Schools have comprehensive cleaning regime				Cleaning schedule - Normal clean of 7 hours per day split between 2 normal cleaning operatives. Additional 2 hours daily for “touch clean” focus on high risk areas (additional cleaner). Classroom team to continually sanitise and wipe down tables Education delivery time to be spaced out so as to allow for cleaning to take place between				Cleaners	On-going	

Hazard and potential injury	Persons Affected	Existing Control Measures	Risk rating			Further action required	Risk rating			Action by:	Due date:	Completion date:
			L	S	RR		L	S	RR			
						<p>different groups of children using the same area/classroom – describe school rota and timetable below or reference where it can be found</p> <p>Each class responsible for sanitising door handles, window handles, surfaces, and touch points in communal areas to be wiped down with disinfectant at intervals during the day, as well as normal and focussed cleaning.</p> <p>All desks, work stations, toys, equipment etc. should be wiped down with disinfectant after use and/or between activities/cohorts (depending on individual school set up). Each member of staff has their own sanitiser bottle and blue towel to wipe periodically.</p>				Class Team		
Contracting Coronavirus - illness	All Staff and Pupils	All staff aware of government guidance on self-isolation	4	4	16	<p>Any member of staff/or pupils who have symptoms must follow national guidance and self isolate, and seek a PCR test, only returning to school upon a negative result.</p> <p>If a child or a double-vaccinated member of staff is deemed a close contact of a positive case in school, they may attend school IF THEY DO NOT HAVE SYMPTOMS. A “Warn and Inform” letter will be sent out to the class, advising parents to seek a PCR test for their child on receipt of the letter and 6 days later.</p> <p>All staff to be vigilant to the health of their pupils and ensure they are following latest national guidance if a pupil appears to be unwell.</p> <p>An area to be designated for isolation should a pupil or staff member become ill, in line with national guidance. – <u>STAFF PPA ROOM</u></p>	2	4	8	All Staff	1st September	Click here to enter text.

Contracting Coronavirus – PPE Mainstream	All staff and pupils	Staff all aware of social distancing rules				<p>All staff to be made aware of the area/s designated for isolation within the school if a pupil / staff member develops symptoms whilst on site. Separate protocol for completion and display.</p> <p>Local Incident Management Teams (IMT)/TTP oversee and advise schools if a cluster of positive cases are identified.</p> <p>IMT/TTP to advise schools of categorisation levels, (currently Newport Schools are in green category with no further interventions required)</p> <p>Staff may now assess their own level of risk within the school environment, and may/or may not wear face coverings in the classroom or communal areas.</p> <p>Additional PPE provided for first aid and use with symptomatic children (see relevant risk assessment lines)</p> <p>ALN pupils identified whose 1:1's require full PPE for toileting and general care. RA's in place.</p> <p>Keep under review whether support for any individual child (e.g. following vulnerable and statemented children risk assessment completion) requires further consideration of PPE risk control measures and individual assessment – contact health and safety for support.</p>						
		In line with government guidance no additional PPE is necessary for routine activities										
Contracting Coronavirus – PPE SEN	All staff and pupils	Staff all aware of social distancing rules				<p>Additional PPE provided for first aid and use with symptomatic children (see relevant risk assessment lines)</p>						
		In line with government guidance no additional PPE is				Contact health and safety for support						

Hazard and potential injury	Persons Affected	Existing Control Measures	Risk rating			Further action required	Risk rating			Action by:	Due date:	Completion date:
			L	S	RR		L	S	RR			
Contracting Coronavirus – Social Distancing during activities outside of the classroom	All pupils and staff on site	necessary for routine activities Staff all aware of social distancing rules				Each class has a designated area to play, sectioned off with cones and tape, and used during designated playtimes. Map of areas given to all classes. Mixing of contact groups in communal areas will be minimised by use of the one way systems. A greatly reduced staggered start/finish times, eating in classrooms rather than dinner hall, no assemblies in hall, BUT MATHS setting across year group introduced.				Class Teacher	On-going	
Contracting Coronavirus - Staff Welfare Facilities	All pupils and staff on site	Staff all aware of social distancing rules	4	4	16	Staffroom can be used with a maximum number of 6 people at any one time. Other areas can be used by small groups of staff. Staff fridges to remain in use and be added to cleaning schedule, cleaners notified to wipe down doors etc Staff to bring in all food and drink necessary for the day. All cups, plates, cutlery etc. to be taken home by staff at the end of the day.	2	4	8	All Staff	On-going	
Contracting Coronavirus – pupils eating and drinking	All pupils and staff on site	Staff all aware of social distancing rules				Children to bring in a fruit snack. Parents advise whole fruit and no chopped fruit, to avoid it being shared. Packed lunch to be provided by parent for first couple of weeks (apart from FSM who will have one provided by Chartwells) Children to eat and drink in classrooms. Foundation Phase Lunch – 12 – 12.45 pm, with each year group splitting their time into equal segments – one class eating in their class, the other using the outdoor area.				TA's	On going	

Hazard and potential injury	Persons Affected	Existing Control Measures	Risk rating			Further action required	Risk rating			Action by:	Due date:	Completion date:
			L	S	RR		L	S	RR			
Contracting Coronavirus – First Aid Provision	All pupils and staff on site	Staff all aware of social distancing rules				KS2 12.30 – 1.15 pm. Y3/Y5 in their classes having lunch from 12.30-12.55 pm whilst Y4/6 use outdoor space. Y4/Y6 return to eat in class from 12.50 pm. All eating areas to be wiped down thoroughly before and after eating, using normal household cleaning products. Water bottles can be refilled by children (where they are able) or staff, using proper hand hygiene processes before and after.						
						First Aid needs assessment to be reviewed based on number of people likely to be on site at any time.						
						First aiders to consider what low level interventions pupils may be able to manage for themselves so as to maintain social distancing as far as possible e.g. older pupils could use a cold compress on a leg or arm						
						All classes provided with a full medical kit/biohazard spill kits and PPE, and a sheet to record all incidents (returned to CD each Friday for filing). Additional PPE (masks and visors) in place (via central order and cluster distribution) for first aid interventions that require close contact, particularly where examination or treatment of face, mouth or head is required e.g. managing bleeding from a head wound or where the spray of bodily fluids is likely e.g. child vomiting				Class Teacher/TA	On going	
Contracting Corona Virus – Corridors and	All pupils and staff on site	Staff all aware of social distancing rules	4	4	16	Corridors and circulation areas to be assessed for pinch points, passing places, and areas of high volume usage, and appropriate signage to be	2	4	8	All site Users	On-going	

Hazard and potential injury	Persons Affected	Existing Control Measures	Risk rating			Further action required	Risk rating			Action by:	Due date:	Completion date:
			L	S	RR		L	S	RR			
circulation areas						displayed. Consider a site plan with areas of concern and signage points clearly labelled. Pupils to be given clear instructions regarding corridor/circulation area behaviour and social distancing. Minimise number of children in corridors and circulation areas at any time. Control measures to be considered: <ul style="list-style-type: none">One way system/partial one way systemKeep Left/Keep RightStaggered lesson changesTeachers moving classrooms rather than pupilsSupervised movement between classroomsStaggered start and finish times Map of One Way System available for each class. Suitable signage in place Photocopier moved into hall – staff can socially distance better with no pinch points.						
Contracting Corona Virus – Access and Egress, Drop Off and Pick Up	All pupils and staff on site	Staff all aware of social distancing rules	4	4	16	Start and finish times to be staggered slightly 08.50-9.00 for KS2, and 09.00-09.10 for FP, using a range of different routes to maximise social distancing. PARENTS TO WEAR MASKS ON SITE. No visitors on site unless under strict pre-invitation only. Most meetings to be conducted virtually where possible. Contractors to site only out of necessity.	2	4	8	Staff	On-going

Guide to Likelihood		
Level	Descriptor	Description
1	Rare	This event may occur in exceptional circumstances
2	Unlikely	Do not expect it to happen but is a foreseeable event.
3	Likely	The event occurs occasionally
4	Highly Likely	The event occurs regularly
5	Frequent	The event occurs frequently

Guide to Severity		
Level	Descriptor	Description
1	No Injury	No injury or adverse outcome
2	Minor	Short-term injury or illness that is resolved with no medical intervention required
3	Moderate	Injury or illness which is resolved with medical intervention
4	Major	Serious injury or illness with results in time-lost and medical intervention
5	Tragic	Death or long-term / permanent injury or illness.

Likelihood	Severity					Suggested timescales
	1 No injury	2 Minor	3 Moderate	4 Major	5 Tragic	
1 Rare	1	2	3	4	5	No Immediate Action
2 Unlikely	2	4	6	8	10	Action prior to further implementation
3 Likely	3	6	9	12	15	Urgent Action
4 Highly Likely	4	8	12	16	20	
5 Frequent	5	10	15	20	25
